EXPERIENCE

ANIMATION INTERN January 2015—April 2015
Jail Education Solutions—Chicago, IL

As an animation assistant, I develop animated shorts for the use of a platform called EDOVO, which allows the users to access educational programs and modules. Working closely with my mentor, I also worked on 3D models that ultimately are game & platform ready as well as being user friendly.

3D MODELING TUTOR July 2014—Dec 2015
The Illinois Institute of Art—Chicago, IL

Specializing in 3D Modeling I help strengthen the learning experience for students who seek help with basic to advanced skills with design software as well as traditional mediums. As a mentor, I promote positive learning habits as well as perform administrative duties; likewise, demonstrating strong abilities as an effective team leader and team player.

FIELD ARTILLERY 13B January 2008—January 2014
Illinois National Guard—Galesburg, IL

Deployed in the Sinai Peninsula, I acted as a residential military police routinely inspecting vehicles and conducting body searches for contraband while maintaining watch over selected areas.
